SIGNED X: Ronald L. Glass TITLE: Chapter 11 Trustee
Ronald L. Glass DATE: 12-17-2018
(PRINT NAME OF SIGNATORY)

Notes:

- (1) The accompanying Monthly Operating Report Notes are an integral part of this schedule.
(2) Paid by UpWell during November 2017 and not from proceeds of sale (see Footnote 7).
(3) Pursuant to the Asset Purchase Agreement dated October 31, 2017 by and between the Debtors and UpWell Holding, Inc., ("UpWell") all accounts receivable were purchased by UpWell on November 17, 2017.
(4) Post-petition liabilities have been, or will be, assumed by UpWell with the exception of approximately \$2.675 million in accrued legal and professional fees and \$358,380 in accounts payable valued as of the sale date. Post-petition liabilities of the Entities No Longer an Estate Economic Risk are legal obligations of the buyer per the Asset Purchase Agreement.
(5) The Jointly Administered Debtors have been authorized by the Court to pay certain prepetition liabilities in previous reporting periods as provided for in the Interim Order to Pay Prepetition Wages. [ECF No. 15]. Additionally, other pre-petition liabilities were inadvertently paid in prior reporting periods. The total is less than \$40,000 since the Petition Date. Certain cure costs for contracts were accepted and paid by UpWell during the reporting period.
(6) The Jointly Administered Debtors filed a motion [ECF No. 9] to permit the continued use of existing bank accounts, which the Court granted on April 11, 2017 [ECF No. 17]. During the reporting period, the Jointly Administered Debtors continued to use such accounts. Subsequent to the sale to UpWell, more fully described in footnote 7, the Court entered an order on January 23, 2018 allowing the Jointly Administered Debtors use and continued use of pre-Petition bank accounts as provided for in the Sale Agreements, without changing the account numbers, as authorized under the Cash Management Order, notwithstanding the sale to UpWell, its management of the bank account and pharmacies, and any transfer of an economic interest (beneficial or otherwise) to UpWell of deposits received in the name of the Jointly Administered Debtors. [ECF No. 742].
(7) On October 5, 2017 the Jointly Administered Debtors filed with the Court the Debtors' Expedited Amended Motion for Entry of an Order: (A) Approving Amended Bidding Procedures; (B) Authorizing Amended Procedures for the Assignment and Assumption of Certain Executory Contracts; and (C) Granting Related Relief in connection with the sale of substantially all of the Jointly Administered Debtor's Assets. [ECF No. 597]. On November 7, 2017, the Court entered its Order Authorizing Sale Free and Clear of Liens, Claims, and Encumbrances in connection with ECF No. 597. [ECF No. 663]. Subsequently, on November 17, 2017 the sale transaction closed pursuant to the Asset Purchase Agreement dated October 31, 2017 by and between the Debtors and UpWell. As a result of the closing of the sale, the Jointly Administered Debtors' (A) sold some but not all assets as of November 17, 2017, (B) will convey the remainder of the assets through a number of rolling closings which will occur over the next several months pursuant to the APA, however (C) no longer retain an economic interest in the assets. Therefore, the disbursements made after November 17, 2017 are only from the proceeds of the asset sale, and not the ongoing business operations which are the responsibility of the buyer. Similarly, since the risk of loss is no longer with the Debtors' estates, the insurance is now paid for by the buyer and the buyer is the beneficiary.
(8) Policy renewed with Upwell as the named insured. The Crime and Fidelity policy is a new policy issued with Upwell as name insured.
(9) Policy renewed with Alliance Medical Holdings, LLC as the named insured.

Notes to the Monthly Operating Report - November 2018

General:

On April 7, 2017 (the "Petition Date"), Uplift Rx, LLC ("Uplift") filed a voluntary petition with the United States Bankruptcy Court under Chapter 11 of the Bankruptcy Code [Case No. 17-32186], along with sixty-two (62) affiliated entities (Affiliated Entities") presented in Exhibit A. The bankruptcy filings of Uplift and the Affiliated Entities are jointly administered under Case No. 17-32186 (the "Jointly Administered Debtors"). The Jointly Administered Debtors are authorized to file monthly operating reports on a consolidated basis and have presented disbursements by Debtor entity in Exhibit A attached. On October 5, 2017 the Jointly Administered Debtors filed with the court the Debtors' Expedited Amended Motion for Entry of an Order: (A) Approving Amended Bidding Procedures; (B) Authorizing Amended Procedures for the Assignment and Assumption of Certain Executory Contracts; and (C) Granting Related Relief in connection with the sale of substantially all of the Jointly Administered Debtor's Assets. [ECF No. 597] On November 7, 2017, the Court entered its Order Authorizing Sale Free and Clear of Liens, Claims, and Encumbrances in connection with ECF No. 597. [ECF No. 663] Subsequently, on November 17, 2017 the sale transaction closed pursuant to the asset purchase agreement dated October 31, 2017 by and between the Debtors and UpWell. As a result of the closing of the sale, the Jointly Administered Debtors' (A) sold some but not all assets as of November 17, 2017, (B) will convey the remainder of the assets through a number of rolling closings which will occur over the next several months pursuant to the APA, however (C) no longer retain an economic interest in the assets. Therefore, the disbursements made after November 17, 2017 are only from the proceeds of the asset sale, and not the ongoing business operations which are the responsibility of the buyer. Similarly, since the risk of loss is no longer with the Debtors' estates, the insurance is now paid for by the buyer and the buyer is the beneficiary.

Debtor-in-Possession Financial Statements - The accompanying schedules MOR-1 through MOR-9, including Exhibit A, herein are unaudited, preliminary, and may not comply with generally accepted accounting principles in the United States of America ("U.S. GAAP") in all material respects. In addition, the financial statements and the supplemental information contained herein represent the financial information on a consolidated basis of the Jointly Administered Debtors presented in Exhibit A. The debtor entities that are no longer an economic risk to the estate are presented separately from the assets liabilities and disbursements of the estate.

The Monthly Operating Report is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Bankruptcy Court and the United States Trustee. The unaudited financial statements have been derived from the books and records of the Debtors. The information presented herein has not been subjected to all procedures that would typically be applied to financial information presented in accordance with U.S. GAAP. Upon the application of such procedures, the financial information could be subject to changes, and these changes could be material. The information furnished in this Monthly Operating Report includes normal recurring adjustments, but does not include all of the adjustments that would typically be made for interim financial statements in accordance with U.S. GAAP.

Reservation of Rights: Given the complexity of the Debtors' business, inadvertent errors, omissions or over inclusions may have occurred. Accordingly, the Debtors hereby reserve all of their rights to dispute the validity, status, enforceability, or executory nature of any claim amount, representation or other statement in this Monthly Operating Report and reserve the right to amend or supplement this Monthly Operating Report, if necessary, but shall be under no obligation to do so.

(2) May 2017 wages expense was understated by approximately \$400,000 due to an error in calculating the payroll accrual. This was corrected when payroll was recorded in June 2017 resulting in the increase in wages expense compared to May 2017.
(3) Insider compensation is reported on MOR-9 and is included in wages here.
(4) An reduction was made to April 30, 2017 in the amount of \$205,421.48 for pre-petition legal expenses that were inadvertently included at the filing date.
(5) Consists primarily of sublease income for April 2017 and May 2017. Thereafter, sublease income is netted directly against rent expense. The August 2017 loss consists primarily of loss on disposal of fixed assets.

Notes:

(1) The accompanying Monthly Operating Report Notes are an integral part of this schedule.

(2) Independent pharmacies ("IPs") were acquired by the Jointly Administered Debtors in 2016. The IPs have bank accounts ("IP Bank Accounts"). The Jointly Administered Debtors acquired the cash in the IP Bank Accounts as part of the purchase, however they are not the account owner. The Jointly Administered Debtors do not receive the bank statements on a regular basis for the IP Bank Accounts and do not have account access. Pursuant to the Asset Purchase Agreement dated October 31, 2017 by and between the Debtors and UpWell, UpWell acquired the cash in the IP Bank Accounts as part of the purchase, on November 17, 2017.

(3) On October 5, 2017 the Jointly Administered Debtors filed with the court the Debtors' Expedited Amended Motion for Entry of an Order: (A) Approving Amended Bidding Procedures; (B) Authorizing Amended Procedures for the Assignment and Assumption of Certain Executory Contracts; and (C) Granting Related Relief in connection with the sale of substantially all of the Jointly Administered Debtor's Assets. [ECF No. 597] On November 7, 2017, the Court entered its Order Authorizing Sale Free and Clear of Liens, Claims, and Encumbrances in connection with ECF No. 597.

[ECF No. 663] Subsequently, on November 17, 2017 the sale transaction closed pursuant to the asset purchase agreement dated October 31, 2017 by and between the Debtors and UpWell Holding, Inc. ("UpWell"). As a result of the closing of the sale, the Jointly Administered Debtors' a) sold some but not all assets as of November 17, 2017, b) will convey the remainder of the assets through a number of rolling closings which will occur over the next several months pursuant to the APA, however c) no longer retain an economic interest in the assets. Therefore, the activity of the buyer after November 17, 2017 is not reported on the Cash Receipts and Disbursements schedule. Disbursements made after November 17, 2017 are only from the proceeds of the asset sale, and not the ongoing business operations which are the responsibility of the buyer.

(4) Adjustment for pharmacies transitioned to Upwell as of the sale date. Post-November adjustments is the change in cash from the prior reporting period for the pharmacies that have not transitioned to Upwell.

Exhibit A

(1) On October 5, 2017 the Jointly Administered Debtors filed with the court the Debtors' Expedited Amended Motion for Entry of an Order: (A) Approving Amended Bidding Procedures; (B) Authorizing Amended Procedures for the Assignment and Assumption of Certain Executory Contracts; and (C) Granting Related Relief in connection with the sale of substantially all of the Jointly Administered Debtor's Assets. [ECF No. 597] On November 7, 2017, the Court entered its Order Authorizing Sale Free and Clear of Liens, Claims, and Encumbrances in connection with ECF No. 597. [ECF No. 663] Subsequently, on November 17, 2017 the sale transaction closed pursuant to the asset purchase agreement dated October 31, 2017 by and between the Debtors and UpWell. As a result of the closing of the sale, the Jointly Administered Debtors' a) sold some but not all assets as of November 17, 2017, b) will convey the remainder of the assets through a number of rolling closings which will occur over the next several months pursuant to the APA, however c) no longer retain an economic interest in the assets. Therefore, the disbursements made after November 17, 2017 are only from the proceeds of the asset sale, and not the ongoing business operations which are the responsibility of the buyer.

(2) A refund for \$202.48 was inadvertently included in Health Rx Holdings, LLC on the October MOR instead of Health Saver Rx, LLC. This has been corrected on the November MOR.
